

FIFTEEN (15) YEAR LIMITED SYSTEM WARRANTY EXPLANATION

The enclosed properly completed forms are required by UNITED COATINGS MFG. COMPANY for consideration in issuance of the **ROOF MATE** Fifteen (15) Year Limited System Warranty:

1. THE WARRANTY:

This Warranty is a guarantee to the Building Owner that the Roof Mate coating system will not leak water over a 15-year period due to deterioration as the result of ordinary weather conditions. This Warranty is not to be used for any other purpose unless specifically approved in writing by an officer of UNITED COATINGS MFG. COMPANY.

2. PRE-PROJECT SUBMITTAL:

Prior to the start of application the Contractor shall submit to UNITED COATINGS a completed and signed Pre-Project Submittal. If required, recommendations will be made at this time regarding substrate conditions, surface preparation, specifications, etc. This form must be submitted prior to start of job, otherwise Warranty will not be issued.

3. PROJECT COMPLETION NOTIFICATION, REQUEST FOR INSPECTION:

Upon project completion the Contractor shall submit to UNITED COATINGS a completed and signed Project Completion, Request for Inspection Notification. Upon receipt of this form UNITED COATINGS will arrange for an approved Consultant to meet with Contractor at the jobsite to conduct a full inspection. It is not necessary for a UNITED COATINGS' representative to be present at this time. The Consultant will have all qualifications and full authority to conduct the completed project inspection.

The Contractor must correct any voids, pinholes, insufficient coating thickness or any other deficiencies. A second inspection may be required to confirm these corrections. If there are no deficiencies, the Completed Project Inspection Report form, or Consultant's equivalent, will be signed and submitted to UNITED COATINGS for final approval.

5. INSPECTION SERVICE:

Cost for the Consultant inspection services per project shall be \$500.00. These costs shall be billed directly by UNITED COATINGS to the Contractor. The Fifteen (15) Year Limited System Warranty will not be issued until this has been completed.

5. COST OF WARRANTY:

The cost of the Warranty shall be \$.07 per square foot for the 15-year warranty period. For projects at or below 25,000 square feet a minimum fee of \$1,750.00 shall be imposed. A cashier's check for the cost of the Warranty, made payable to UNITED COATINGS MFG. COMPANY, is to be sent along with the required documents to the attention of UNITED'S Warranty Department at Spokane Valley, WA.
